You will work in groups. You are expected to analyze one of the sports clubs in Izmir: Karsiyaka SK, Goztepe A.S., Altay, Bucaspor, or Altinordu. You are expected to do field visit to the club and interviews with the club officials. You should inspect the economics and financial structure of the club in accordance to the topics we discuss in class. At the end of the semester you are going to hand in a hardcopy of your project paper and present your work in class. Project paper will contribute %20 to your overall grade.

**Grade distribution of your paper will be:**

Frist draft: %5 (%1 for the format and length of the paper, %1 for the language and grammar, %3 for the content)

Presentation: %5

Final draft: %10 (%2 for the format and length of the paper, %2 for the language and grammar, %6 for the content)

**Requirements:**

1st draft length: minimum 2,000 words

Final draft length: 4,500-5,000 words

Font style: Times New Roman

Font size: 12

Spacing: 1.5 lines
Your project paper should be organized as follows:

- **Cover Page**
  
  It should include at least the title of your project, course name and code, student name and number.

- **Introduction**
  
  You should introduce what you are going to tell us in this project paper. It should not be shorter than one page and longer than two pages.

- **Club Information, Organization, and History**
  
  Brief information about the club, organization and history.

- **Economics of the club and other sections that you would like to add.**
  
  The most important part(s) of your Project paper. You should decide how to organize this part. After first draft, I can advise.

- **Conclusion**
  
  You should summarize your work and make any suggestions you would like.

- **Reference List**
  
  For reference format you can use [http://www.citationmachine.net/](http://www.citationmachine.net/). Your reference should be in alphabetical order.
